## DSP Of The Month:

### Nellie Sifre Delia

Nellie is always willing to help at whatever IRA she is needed at. Though she is a Day Hab staff, she has been covering and picking up extra residential shifts during the COVID crisis. She is a true team player and hard worker. She helps the people we support live their best lives by coming up with ideas for outings specifically geared for them, taking them shopping, and helping decorate their rooms, among other things. She truly cares about their needs and they all love her. Nellie is a true professional and gets along well with her co-workers. We appreciate her dedication to the people we support and to In Flight.

Thank you, Nellie, for all that you do!

## I-SAIL Learning New Skills:

I-SAIL in Red Hook has been sharpening their life skills with a little extra help from the community! Members of the community donated an assortment of books and clothes to assist I-SAIL with their life skill lessons!

After a month of hard work and practice, I-SAIL participants will keep their wardrobe fresh after learning to wash, dry, fold, and makes small repairs to their wardrobe. Also, they will wow their dinner guests with their table setting skills and dinner conversation about the new books they have read from their library!

We would like to extend a heartfelt thank you to everyone who donated to make these lessons possible.
